Paphiopedilums 2.25" pots

The following plants are offered while supplies last. Wholesale orders consist of a 25 plant minimum. Please feel free to mix different sizes to make up the 25 plant minimum. The Paphiopedilums listed below are growing in 2.25" pots and established, priced at \$7.00 each.

HP-01 Paph. Greenvale 'Hillsview' x Denehurst 'Surprise' AM/RHS

Big bold diploid greens. Some white on top of the dorsal. Looking for some solid green flowers as well. Christmas holiday flowering pot plants here.

HP-02 Paph. Cheryl Ann Boyd (Roseling '#2' AM/AOS x Winston Churchill 'Redoubtable' FCC/AOS)

Lots of mahogany reds with pizzazz, tall stems. These will be very nice flowers. Great growers.

HP-03 Paph. Omderman (Winston Churchill 'Redoubtable' FCC/AOS x Millionette 'Bagdad' AM/AOS)

Remake, for big red flowers some with spots. The AQ Plus shows some very large flowers from the original grex. We hope to get similar results from this remake.

HP-07 Paph. Keyeshill (Carl Keyes 'Surefire' B/CSA x Winston Churchill 'Redoubtable' FCC/AOS)

Remake of one of the best red paph crosses using the original parents. Expect some very fine quality reds from this remake.

HP-08 Paph. London Wall 'Fairfield' x Limerick 'Hillsview' HCC/AOS

Large green flowers with black spots are expected from this grex. These will be large plants as well. Paph. Limerick 'Hillsview', has been a very good parent. We are very interested in creating some fine green complex with dark spotting on the dorsal.

HP-09 Paph. Caesar Pitta 'Marblehead' B/CSA x Spotglen 'Doodlebug' HCC/AOS

Both parents have terrific form, we expect the seedlings to be big spotted mahogany reds.

HP-10 Paph. Via Luna Este (Harbor 'Golden Gateway' HCC/AOS x Gigi 'Malibu' AM/AOS)

Remake of an exceptional grex, well formed mahogany colored flowers.

HP-11 Paph. Agincourt 'San Carlos' AM/AOS x Greenvale 'Hillsview'

Both parents are large full greens. We expect these to be big and bold. The growth habit is very nice on these.

HP-35 Maudiae ‘Los Osos’ AM/AOS x fairrieatum ‘Raj’ HCC/AOS

Remake of a standard maudiae type with Paph. fairrieatum character. Several have flowered and are outstanding.

HP-43 Paph. Moussetianum x (Voodoo Magic x Eric Meng)

Dark vinnicolor maudiae type flowers are expected from this grex.

HP-45 Paph. Maudiae ‘Gen X’ AM/AOS x (Voodoo Magic x Eric Meng)

Dark Vinnicolor maudiae type flowers are expected, the Paph. Maudiae ‘Gen X’ AM/AOS, recent Award is a huge flower with very dark color and superb form.

~NET \$ 8.00

HP-61 Paph. Quiberon Bay (Winston Churchill ‘Redoubtable’ FCC/AOS x Milmoore ‘Maltese’ AM/AOS)

Big bold spotted and some all red flowers as well. There have been some wonderful reds from the original grex. We expect some nice reds to use in our breeding program.

HP-63 Paph. Duncan York ‘Southard’ AM/AOS x Thunder Bay ‘Flash’ AM/AOS

Lots of spotted beauties expected here and large flower as well. Paph. Thunder Bay is known for passing on black spotting on the dorsal. The Duncan York used here is also a very nice parent for spotted reds.

HP-65 Paph. Gigi ‘Malibu’ AM/AOS x Olympic Mountains ‘Grande’

Paph. Gigi is a flower with terrific substance and very nice form. The Olympic Mountains is a huge green with not very good substance. It is the parent of our Paph. Olympic Emerald and produces some very large flowers. We are looking for some large honey colored green flowers from this grex.

HP-67 Paph. Alhambra (Vashon Legacy ‘Suntan’ x Gigi ‘Malibu’ AM/AOS)

Remake. These sold out very quickly the last time we offered them. They are among the largest flowers we have produced. Big bold blond and honey colored flowers with flame colors in the dorsal.

HP-69 Paph. Olympic Mountains ‘Grande’ x Greenvale ‘Hillsview’

Stunning large all green flowers with nice stems. Paph. Olympic Mountains, was used to produce our Paph. Olympic Emerald ‘Hillsview’ AM/AOS. Paired with our Paph. Greenvale ‘Hillsview’, expect some very fine all green flowers, some with white on the dorsal.

HP-70 Paph. Hellas ‘Westonbirt’ FCC/RHS x Duncan York ‘Southard’ AM/AOS

These will be huge and all over the map as far as pattern. It is amazing to think of some of the recent vintage Paph. Hellas crosses. It continues to be a very fine parent. The Paph. Duncan York has proven itself with Paph. Don Egger and Paph. Precocious.

HP-78 Paph. Vanda M. Pearman (bellatulum ‘Dumbo’ x delenatii ‘Pink Butterfly’)

Remake of a stunning rose peppered brachy/parvi hybrid. Some awards expected here.

~NET \$ 10.00 EACH~

HP-86 Paph. Ceaser Pitta ‘Marblehead’ HCC/AOS x Spotglen ‘Doodlebug’ HCC/AOS

The Ceaser Pitta is more of a mahogany red while the Spotglen is more of a true red. Paph. Spotglen has been a very good parent as seen in our Paph. Don Egger and Paph. Alfadir. We expect some very fine spotted reds from this grex.

Paphiopedilums 4” pots

The following plants are offered while supplies last. Wholesale orders consist of a 25 plant minimum. Please feel free to mix different sizes to make up the 25 plant minimum. The Paphiopedilums listed below are growing in 4” pots and established flowering size plants, priced at \$12.50 ea.

HP-01 Paph. Greenvale ‘Hillsview’ x Denehurst ‘Surprise’ AM/RHS

Big bold diploid greens. Some white on top of the dorsal. Looking for some solid green flowers as well. We have a big number of these too offer, and flower. Great Christmas holiday green flowering pot plants here.

HP-02 Paph. Cheryl Ann Boyd (Roseling ‘#2’ AM/AOS x Winston Churchill ‘Redoubtable’ FCC/AOS)

Lots of mahogany reds with pizzazz, tall stems. These will be very nice flowers. Great growers.

HP-03 Paph. Omderman (Winston Churchill ‘Redoubtable’ FCC/AOS x Millionette ‘Bagdad’ AM/AOS)

Remake, for big red flowers some with spots. The AQ Plus shows some very large flowers from the original grex. We hope to get similar results from this remake.

HP-07 Paph. Keyeshill (Carl Keyes ‘Surefire’ B/CSA x Winston Churchill ‘Redoubtable’ FCC/AOS)

Remake of one of the best red paph crosses using the original parents. Expect some very fine quality reds from this remake.

HP-08 Paph. London Wall ‘Fairfield’ x Limerick ‘Hillsview’ HCC/AOS

Large green flowers with black spots are expected from this grex. These will be large plants as well. Paph. Limerick ‘Hillsview’, has been a very good parent. We are very interested in creating some fine green complex with dark spotting on the dorsal.

HP-09 Paph. Ceaser Pitta ‘Marblehead’ B/CSA x Spotglen ‘Doodlebug’ HCC/AOS

Both parents have terrific form, we expect the seedlings to be big spotted mahogany reds.

HP-10 Paph. Via Luna Este (Harbor ‘Golden Gateway’ HCC/AOS x Gigi ‘Malibu’ AM/AOS)

Remake of an exceptional grex, well formed mahogany colored flowers.

HP-11 Paph. Agincourt ‘San Carlos’ AM/AOS x Greenvale ‘Hillsview’

Both parents are large full greens. We expect these to be big and bold. The growth habit is very nice on these.

HP-78 Paph. Vanda M. Pearman (bellatulum ‘Dumbo’ x delenatii ‘Pink Butterfly’)

Remake of a stunning rose peppered (brachy X parvi) hybrid. Some awards expected here.

~NET \$ 15.00 EACH~

HP-35 Maudiae ‘Los Osos’ AM/AOS x fairrieanum ‘Raj’ HCC/AOS

Remake of a standard maudiae type with Paph. fairrieanum character. Several have flowered and are outstanding.
