OREGON GROWN ORCHIDS

The following divisions are established and available for purchase. It has been a while since our last select division listing and we expect these will sell out quickly so do not delay. The *Paph. haynaldianum* offered here are award quality and among the best. These are from the Award of Quality cross from Sam Tsui at the Orchid Inn. Thank you for your continued support.

***Paph. haynaldianum* '#9'**

One previously flowered growth and one lead.
\$ 500.00 – 5” pot

***Paph. haynaldianum* 'Josephine'**

This cultivar is AM quality, one of the best to flower with outstanding color, the petals are exceptional. Three unflowered growths.
\$ 700.00 – 5” pot

***Paph. haynaldianum* 'Flying Wing'**

Two previously flowered growths and one unflowered growth.
\$ 500.00 – 5” pot

***Paph. haynaldianum* '#4'**

Two previous flowered growths, two unflowered growths. Petals reach out horizontally.
\$ 500.00 – 5” pot

***Paph. armeniacum* 'Golden Globe'**

Well established one growth. One of our best cultivars we are using in our breeding program.

\$ 200.00 – 4” pot

***Paph. armeniacum* '#1'**

Flower quality is blah, yet this cultivar is prolific in producing lots of viable seed. It is recessive for shape and has produced superior quality flowers with awards making this *Paph. armeniacum* valuable to hybridizers.

\$ 300.00 – 4” pot

***Paph. hirsutissimum* var. *albescens* 'Alfri' AM/AOS**

Division of this stunning flower with just a hint of pink in white portion of the petals. One previously flowered growth, one unflowered and two new leads.

\$ 250.00 – 3.25” pot

***Paph. hirsutissimum* var. *esquirolei* 'Williams' HCC/AOS**

Nice division of this awarded cultivar. Always a delight when in flower. One previously flowered growth, three unflowered growths.

\$ 200.00 – 4” pot

***Paph. Antrim* 'Luminous' AM/AOS**

Two previous flowered growths, multiple leads. We hope this is helpful in producing yellow complex. We have several crosses with this in the lab. Nice multi growth division.

\$ 300.00 – 5” pot

***Paph. Atherton* 'San Leandro' AM/AOS**

One previous flowered growth and one lead.

\$ 200.00 – 4" pot

***Paph. Emerald Brocade* 'Emerald' AM/AOS**

One of our best all green complex bred from *Paph. Greenvale* 'Hillsview' and *Limerick* 'Hillsview'. This Emerald Brocade is producing quality flowers.

Two unflowered growths.

\$ 500.00 – 4" pot

***Paph. Emerald Brocade* 'Green Frog' HCC/AOS**

Another green self *Paph. Emerald Brocade*. One previously flowered growth and one unflowered.

\$ 200.00 – 4" pot

***Paph. Hellas* 'Westonbirt' FCC/RHS**

The classic complex hybrid crossed with species and hybrids alike with amazing results. Two previously flowered growths and one unflowered growth.

\$ 100.00 – 5" pot

***Paph. Kay Rinaman* 'Val' HCC/AOS**

Another classic complex hybrid. *Paph. Kay Rinaman* registered in 1967 is still a quality flower. Two previously flowered growths and one unflowered growth.

\$ 150.00 – 5" pot

Paph. Luther Pass 'Celilo'

We have flowered so many outstanding flowers from our remake of this hybrid. One previously flowered growth, one unflowered growth, and one lead.

\$ 400.00

Paph. Luther Pass 'Chocolate Chip' HCC/AOS

This is a big hulk of a flower. We have two crosses coming along using this as a parent.

Two previously flowered growths and one unflowered growth.

\$ 300.00

Paph. Luther Pass 'Freckle Face'

Not a large flower but flat with superb conformation. One previously flowered growth and two unflowered growths. Prolific in growth and bloom habit.

\$ 250.00

Paph. Luther Pass 'Round Robin'

Nice wide petals on this cultivar, we have not used this for breeding yet with so many great Luther Pass, just another great one.

Two previously flowered growths and two leads.

\$ 350.00

Paph. Luther Pass 'Sensation' AM/AOS

The best from our remake. The quality of this flower as a parent we are seeing with so many crosses flowering over the last couple of years. We look forward to seeing more this fall. A truly spectacular flower in every way. One previously flowered growth, one unflowered growth, and one lead.

\$ 1,000.00

Paph. Olympic Emerald 'Full Ventral'

Mirror image ventral on this lovely flower.

One previously flowered growth and two unflowered growths.

\$ 350.00 – 4" pot

Paph. Olympic Halo 'Alabaster' HCC/AOS

This is a parent of our Paph. Olympic Moon with so many award quality flowers. Three previous flowered growths and two unflowered growths.

\$ 350.00 – 5" pot

Paph. Valerie Tonkin 'Hillbilly' AM/AOS

A superb flower and excellent parent.

One previously flowered growth and one unflowered growth.

\$ 300.00

Paph. Warm Valley 'Golden Moon' HCC/AOS

Parent of our Paph. Olympic Moon with many outstanding cultivars. A special flower with wonderful presentation. One previously flowered growth and one unflowered growth.

\$ 350.00

Paph. Xanadu 'Pleasure Dome' HCC/AOS

When this flowers to perfection it is incredible.

A particularly good parent. Two previously flowered growths and one unflowered growth.
